WaterISAC will host a free webinar on (2019) Wednesday, February 13 at 3 p.m. ET on the risk assessment and emergency response plan requirements under the America's Water Infrastructure Act (AWIA). Enacted last October, the act requires drinking water utilities to complete risk and resilience assessments (RRAs) and update their emergency response plans every five years.

The webinar will be recorded and made available the following day along with the slide deck at ... <https://waterisac.org/awia> ???
