This wacky-looking font can help you remember what you read ...

<https://www.popsci.com/sans-forgetica-font-reading-memory>

Oct 10, 2018 - Not Sans Forgetica. Most fonts are designed for ease of use.

Lora, which you're reading right now, was chosen by the PopSci web team because it's easy to read, and also free. Reviled for its "childish" look, Comic Sans is nonetheless considered one of the easiest fonts for dyslexics to read.
